

# He Lives! The Story of Redemption!

## 30 Ornaments and Scripture References

### Suggestions for how to use the ornaments and Scriptures:

- Cut out all ornaments on card stock paper and laminate for durability
- Hole punch them on the top and place a string for a loop
- Make something to hang each ornament. Some ideas would be to make a board with nails, gather branches and put them in a vase, or hang a garland.
- You can also place magnets on the back of each and place them on your fridge or something else magnetic.
- On each night for the 30 days leading up to Resurrection Sunday, read the story and talk about the significance of the event.
- There is a supplemental kids workbook geared more towards k-6th graders and parent guide available as well on my website: [www.nulifecreations.com](http://www.nulifecreations.com). It includes a fun worksheet corresponding to each event in the story of Redemption.
